

Daughters Day 2017

Program Booklet Messages

Friends of Daughters Day are invited to buy a message in the program booklet for the September 9 event. This is a valuable way to show support for the mission and work of Daughters Day, and it will reach an anticipated 400 people who attend the event, as well as being at the Daughters Day website over the year ahead.

The regular cost is \$500 for a full page ad and \$250 for a half-page ad. Charitable and not-for-profit organizations pay one-half these rates.

If the message/ad is not provided ready to insert into the booklet as a JPG or PDF file, but needs to be designed, there will be an additional \$50 charge.

Full page max size: 3.4" wide 6.5" high
