Dear Friends,

On behalf of the Government of Canada, and as the Member of Parliament for Edmonton Centre, I am pleased to extend my warmest congratulations to Canadians for a Civil Society (CCS) as you celebrate the 15th anniversary of Daughters Day.

Over the past fifteen years, Daughters Day has provided an important opportunity to recognize and celebrate women whose contributions strengthen our communities, inspire future generations, and advance meaningful dialogue on the values that help build a more inclusive society.

This year's theme, "Women Promoting Diversity, Equity, and Inclusion," highlights the positive impact that women from diverse backgrounds continue to make across Alberta and Canada. It is particularly fitting that this occasion honours seven outstanding recipients of the Daughter of the Year Award, whose leadership, dedication, and service have enriched the lives of many and strengthened our communities.

I would also like to recognize the many volunteers, organizers, community partners, performers, and supporters whose commitment has helped make Daughters Day a success over the past fifteen years. Through your efforts, this event has become a valued tradition that celebrates achievement, encourages civic engagement, and promotes respect, dignity, and opportunity for all in our community.

As you gather at Edmonton's City Hall to mark this milestone anniversary, as remarkable Edmontonians, I hope you take pride in all that you have accomplished and look forward with optimism to the future.

Thank you for your continued dedication to recognizing women leaders and building stronger, more inclusive communities. I wish everyone a memorable 15th anniversary celebration and continued success in the years to come.

Thank you. Merci. Hiy hiy.
